

Your journey with **(ON)Path** Patient Support

Stay (ON)Path to treatment with
personalized programs and support.

Questions? Call an (ON)Path Patient Access Advocate
at 1-844-ONPATH0 (844-667-2840), Monday-Friday, 8 AM to 8 PM EST

Support that moves you forward

Working with your provider to enroll in (ON)Path means hands-on support from a dedicated (ON)Path Patient Access Advocate who will connect you or your loved one with personalized programs and resources to help start treatment as soon as possible.

Hands-(ON) support throughout your treatment journey

Whether it is helping you understand your insurance coverage, finding financial resources that are right for you, or providing treatment education, our (ON)Path Patient Access Advocates are on top of getting you started on treatment.

Once you enroll, your (ON)Path Patient Access Advocate will:

- ✓ Call you, typically within **1 business day**, to discuss next steps in your treatment journey
- ✓ Help you understand coverage and navigate access to your prescribed Revolution Medicines treatment
- ✓ Help you enroll in any financial services you may be eligible for through (ON)Path Patient Support Services
- ✓ Refer you to additional community support if needed
- ✓ Provide you with treatment education

Stay (ON)Path to treatment with financial resources that are right for you

Understanding your costs

(ON)Path reviews your coverage and helps you understand your costs

1

Commercial Insurance

(Including most employer insurance and ACA plans)

Pay as little as \$0 with the Commercial Copay Program

If you have commercial insurance and meet other eligibility criteria, you may **pay as little as \$0.**

Terms and conditions apply. Visit www.revmedonpath.com/patient to see full eligibility criteria.

2

Government Insurance

(Medicare or Medicaid)

Let's discuss your options

Depending on the type of government insurance you have (Medicare or Medicaid), you may be eligible for **government affordability programs.**

3

Uninsured or underinsured

The Patient Assistance Program (PAP) may be available to you

If you meet certain medical and financial requirements, you may be eligible.

Terms and conditions apply. Visit www.revmedonpath.com/patient to see full eligibility criteria.
